CASABLANCA

ANTHOLOGY™

## On trend marble mosaics that add style to your space.

The French period, Ville Nouvelle of Casablanca, was designed by a French architect and its style is a combination of Hispano-Moresque and Art Deco. This has inspired our new collection featuring white decorative stone with trendy design influences.

Merging all of this together, the beauty of natural stone and sought after essential mosaics, create a richness in these must-have stylized beauties.
