

COLLECTION

FABRIQUE & NATURE

ANTHOLOGY™

Hand-made recycled glass tile with natural tones and textures.

Reach out and touch this tile to truly believe that it's not actually stone. A recycled glass tile hand-made by craftsmen expresses an amazing collaboration of marble designs.

A refined look of stone without the maintenance, creates a classic and timeless look.

Application - Residential/Commercial

Presentation - Mesh Mounted

Recommended uses only apply for properly installed material according to TCNA guidelines. All information is subject to change; refer to the website for most updated information. Images were digitally enhanced; for color accuracy, please request a sample.

IMPORTANT: Installation Instructions

We recommend wet cutting or the score and snap method during the installation process. Improper installation techniques could expose installer to harmful silica dust.

Do not dry cut product using power tools during the installation process. Using dry cutting methods could present a risk of acute lung injury. If adequate ventilation cannot be achieved, wear a mask or respirator. For more information, see the SDS at <https://anthologytile.com>
