Application - Residential/Commercial

Presentation - Loose Piece & Mesh Mounted

Recommended uses only apply for properly installed material according to TCNA guidelines. All information is subject to change; refer to the website for most updated information. Images were digitally enhanced; for color accuracy, please request a sample. Due to the nature of our various products, samples only represent the general appearance of any particular material. Variations in color, shape, pattern, veining. marking or texture are common due to sample size, color label printing and variations in one shipment to another.

*

WARNING: This product can expose you to chemicals including crystalline silica which is known to the State of California to cause cancer. For more information go to **www.P65Warnings.ca.gov.**

CAUTION: SILICA DUST HARMFUL IF INHALED. Exposure to silica dust from cutting, grinding, or polishing can cause acute lung injury, silicosis, or cancer. Wear a respirator when cutting, grinding, or polishing. Use wet cutting methods and do not dry cut. Children should not be present during cutting, grinding, or polishing.

**

IMPORTANT: Installation Instructions

We recommend wet cutting or the score and snap method during the installation process. Improper installation techniques could expose installer to harmful silica dust.

Do not dry cut product using power tools during the installation process. Using dry cutting methods could present a risk of acute lung injury. If adequate ventilation cannot be achieved, wear a mask or respirator. For more information, see the SDS at **https://anthologytile.com**
