

COLLECTION

FIFTH AVENUE

ANTHOLOGY™

Anthology's featured ceramic tile with unique dimension.

This collection transcends the boundaries of tile installations to redefine the perception of true modern design. Create new focal points, using these beautiful handcrafted ceramic tiles as distinctive pieces of architectural decoration for any application.

ANTHFIMD

Imagine the beauty of a whole new look with this fashion forward trend using structure and fabrics as inspiration.

Recommended uses only apply for properly installed material according to TCNA guidelines. All information is subject to change; refer to the website for most updated information. Images were digitally enhanced; for color accuracy, please request a sample.

IMPORTANT: Installation Instructions

We recommend wet cutting or the score and snap method during the installation process. Improper installation techniques could expose installer to harmful silica dust.
Do not dry cut product using power tools during the installation process. Using dry cutting methods could present a risk of acute lung injury. If adequate ventilation cannot be achieved, wear a mask or respirator. For more information, see the SDS at <https://anthologytile.com>
