ANTHMARSTMA29

MARMOREA | TILE COLLECTION

Old-world charm with a modern aesthetic.

Inspired by tumbled marble, this porcelain tile captures the warmth of natural stone with soft movement, subtle variation, and aged edges. Its timeless look brings depth and character to backsplashes, bathrooms, and feature installations.

Recommended uses only apply for properly installed material according to TCNA guidelines. All information is subject to change; refer to the website for most updated information. Images were digitally enhanced; for color accuracy, please request a sample.

IMPORTANT: Installation Instructions
We recommend wet cutting or the score and snap method during the installation process. Improper installation techniques could expose installer to harmful silica dust.
Do not dry cut product using power tools during the installation process. Using dry cutting methods could present a risk of acute lung injury. If adequate ventilation cannot be achieved, wear a mask or respirator. For more information, see the SDS at <https://anthologytile.com>
